Geogrid, knitted with EVA-coating; Raw material: PET

Arter GTM 60-30-30; Arter GTM 100-30-30; Arter GTM 150-30-30

Geogrid, knitted with EVA-coating + green mesh; Raw material: PET + HDPE
used for the function: R

produced by the manufacturer

Alpe Adria Textil S.r.l.

Strada di Salt, 50
33047 Remanzacco (UD)
Italy

in the factory

Remanzacco

are submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the notified body SKZ – TeConA GmbH, Würzburg, Germany has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards

DIN EN 13249:2005; DIN EN 13250:2005; DIN EN 13251:2005

were applied.

This certificate was first issued on 2008-02-11 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Würzburg, 11 February 2008
